

## Announcement of Awards & Scholarships Program

### Bachelor of Arts and Science in Integrated Innovation (International Program)

.....

Chulalongkorn School of Integrated Innovation (Scii) has deemed appropriate to establish the Bachelor of Arts and Science in Integrated Innovation (BAScii) Awards & Scholarships Program to inspire students and applicants who have displayed outstanding performance in the academics or extracurricular activities to continue and further their excellent performance, and to provide financial support to international students with good admission score and performance who seek financial assistance for their studies.

#### Award & Scholarship Types

- Academic Excellence Award	100,000 THB/Scholarship
- Activity-based Award	100,000 THB/Scholarship
- Academic Excellence Award for New Students	100,000 THB/Scholarship
- Need-based Scholarship for International Students	100,000 THB/Scholarship

#### Eligibility for BAScii Awards & Scholarships Application

##### For Academic Excellence Award:

- One must complete high school or are currently in the final year of high school (Matayom 6 in Thai system, Grade 12 in the US system or Year 13 in the British/IB system) or passed an equivalent high school standard test.
- One must be an eligible applicant for the Bachelor of Arts and Science in Integrated Innovation (International program) Chulalongkorn School of Integrated Innovation Admission.
- One must achieve the requirement scores of any of the English and Mathematics tests for the Bachelor of Arts and Science in Integrated Innovation (International program) Chulalongkorn School of Integrated Innovation Admission.
- One must not be a current recipient, nor an applicant for Need-based scholarship.

- For current ScII students (Year 1-4), one must have a cumulative grade point average of no less than 3.60, be in good standing, and submit their application for Academic Excellence Award for each semester.
- For the first-year students in their first semester, of which the cumulative grade point average (GPAX) is not yet available, scholarships will be awarded to the top 15 students based on their outstanding performance in the admission rounds.

#### **For Activity-based Award:**

- One must be a student of ScII (Year 1-4) with an average to outstanding academic performance and never been penalized for misconduct.
- One must have shown strong participation in extracurricular activities, made contribution to the school, received awards or special recognitions from outside parties in the previous semester.
- One must submit their application for Activity-based Award for each semester.
- One must not be a current recipient, nor an applicant for Need-based scholarship.

#### **For Need-based Scholarship for International Students:**

- One must be an international first year, first semester student with a good overall admission score and performance.
- One must submit their application for Need-based Scholarship for International Students.
- One must be an international student who does not hold Thai nationality, nor a current resident of Thailand during the past 5 years.
- One must sign an acknowledgement form to study with ScII until the completion of their degree (4 years).
- If the student stopped their studies at ScII, or transfer from ScII, they will be required to return all the received scholarship amount back to ScII.

#### **Eligibility for BAScii Awards & Scholarships**

- One must be a BAScii Awards & Scholarships applicant.
- One must be an enrolled Bachelor of Arts and Science in Integrated Innovation (International Program) Chulalongkorn School of Integrated Innovation student.
- Chulalongkorn School of Integrated Innovation will be overseeing the disposition of the following Awards & Scholarships:

##### **1. Academic Excellence Award**

- For Academic Excellence Award for First Year, First Semester Students, the selection of recipients will be based on their admission score and performance.

- For Academic Excellence Award for current Scll students (Year 1-4), the selection of recipients will be based on their cumulative grade point average of the previous semester.

## 2. Activity-based Award

The selection of recipients will be based on their participation in extracurricular activities, their contribution to the school, special recognitions, including awards received and competitions attended.

## 3. Need-based Scholarship for International Students

The selection of recipients will be based on the international students' admission score and performance, and their statement of purpose for the scholarship.

## The Allocation of Awards & Scholarships

Chulalongkorn School of Integrated Innovation will allocate the awards and scholarships as follows:

- The total number of recipients for Academic Excellence Award for First Year, First Semester Students will be at the discretion of the school.
- The total number of recipients for Academic Excellence Award for current Scll students (Year 1-4) will be at the discretion of the school.
- The total number of recipients for Activity-based Award for current Scll students (Year 1-4) will be at the discretion of the school.
- The total number of recipients for Need-based Scholarship for International Students (Year 1-4) can be up to 8 per semester.

## Required Documents

Academic Excellence Award for First-Year, First Semester Students:

- Applicants must submit their BAScii admission application. The applicants' admission scores and performance will be considered by Scll Academic Committee.

Activity-based Award:

- Applicants must submit their application for Activity-based Award, together with a statement of purpose to explain why they are suitable to receive the award. Supporting documents such as certificates, awards, and other special recognitions can also be included in the application.

Need-based Scholarship:

- Applicants must submit their BAScii admission application and a statement of purpose to explain why they are suitable to receive the scholarship. The applicants' admission scores and performance will be considered by Scll Academic Committee

## **Awards & Scholarships Considerations**

ScII Academic Committee will nominate the nominees for BAScii Award & Scholarship to Chulalongkorn School of Integrated Innovation Board Members for approval.

ScII faculty members are to be responsible for the following duties:

- To select students who will be receiving Academic Excellence Award, Activity-based Award, and Need-based Scholarship for International Students.

## **Conditions**

- During their award & scholarship semester, students are to provide contribution to ScII in the areas deemed appropriate by the school.
