Academic Calendar

Semester	Duration
Fall	August to December
Spring	January to May

Remarks: Some partner universities may have different semester duration. Applicants are advised to carefully check and plan their application accordingly.

Application Timeline

Semester	Consultation Period	Application and Nomination	Pre-departure
Fall	January	February-March	May onwards
Spring	July	August-September	October onwards

Application Process

Application to ScII

- Applicants complete an application and upload the supporting documents online.

Selection and Nomination

- Selection process by ScII will be based on the applicants' academic performance (GPAX), English language proficiency scores, and statement of purpose.

- Selected candidates will be nominated to partner universities with their key information and contact details.

- Nominated candidates will receive further instructions from the partner universities and must complete all other requirements by the deadlines announced by the partner universities (different partner universities can have different process and deadlines).

- The partner universities will issue and send the letter of acceptance for accepted candidates either to ScII or directly to the candidates.

- The letter is for the purpose of visa application.

Course Mapping Request and Credits Transfer

- To be eligible for credits transfer, each student must submit their course mapping request for the approval of ScII before departure.

- Students must receive at least a C or the equivalent for the courses that they have taken at the partner university to be eligible for credits transfer at ScII.

- Credits received from courses taken at the partner university can only transfer to Free Elective and Specialization Courses at ScII. The courses also must match in terms of titles, prerequisites, and descriptions.

Cancellation

- Applicants can only cancel their semester-abroad application **before** the selection process begins.
