

Chulalongkorn University Announcement on Admission to
Bachelor of Arts and Science in Integrated Innovation
Chulalongkorn School of Integrated Innovation
for the Academic Year 2022
(International Round)

Chulalongkorn University is now accepting applications from international students (holders of foreign passports) or Thai students (holders of dual passports) to Bachelor of Arts and Science in Integrated Innovation Program for the Academic Year 2022.

Application process is as follows.

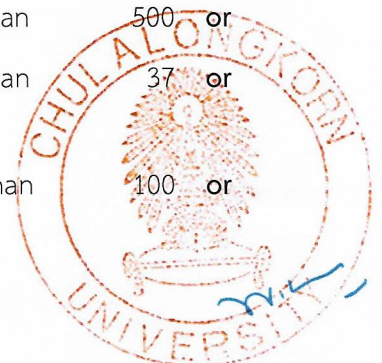

1. Qualifications and Requirements

Applicants must be **non-Thai citizens** (holding foreign passports) who have completed high school or are currently in the final year of high school (Matayom 6 in Thai system, Grade 12 in the US system, or Year 13 in the British/IB system) or passed an equivalent high school standardized test.

1.1 Applicants must submit all three documents of the following qualifications:

1.1.1 Applicants must achieve at least the minimum score of any of the following English proficiency tests (scores are valid within two years from the test dates). Applicants may submit more than one English proficiency test result.

- | | | | |
|---|----------------|-----|----|
| - TOEFL (Paper-based) | not lower than | 550 | or |
| - TOEFL (Internet-based) | not lower than | 80 | or |
| - IELTS | not lower than | 6.5 | or |
| - SAT (Evidence-Based Reading and Writing) | not lower than | 500 | or |
| - ACT (American College Testing Assessment) English and Reading | not lower than | 37 | or |
| - CU-TEP (Chulalongkorn University Test of English Proficiency) | not lower than | 100 | or |

- Duolingo English Test not lower than 105 or
- Gaokao English not lower than 110 or
- HKDSE English not lower than Level 4 or
- General Scholastic Ability Test (GSAT or Xue Ce) not lower than 12 or TELC 'B' Grade or

Foreign applicants may be considered for a waiver of English proficiency requirements with sufficient proof and relevant experiences, whose secondary education (high school) took place in an accredited school where English is a principal language of instruction for at least three years prior to this application in a native English-speaking country listed below:

American Samoa	Australia	Bahamas	Barbados
Belize	Botswana	Canada (including Quebec)	
Fiji	Gambia	Ghana	Gibraltar
Guyana	Ireland	Jamaica	Kenya
Lesotho	Liberia	New Zealand	Nigeria
Papua New Guinea	Philippines	Samoa	Singapore
Solomon Islands	Tonga	Trinidad & Tobago	United Kingdom
United States of America		Zambia	Zimbabwe

Each case will be reviewed individually and the School reserves the right to request applicants to further satisfy English proficiency requirements if deemed necessary.

1.1.2 Applicants must achieve at least the minimum score of any of the following Mathematics proficiency tests (scores are valid within two years from the test dates). Applicants can submit more than one Mathematics proficiency test result.

- SAT (Math) not lower than 600 or
- SAT (Math Level 2) not lower than 570 or
- ACT (American College Testing Assessment) Math not lower than 25 or
- CU-AAT Math not lower than 580 or
- IB Diploma (International Baccalaureate) HL Math not lower than 5 or
- A-Level Math not lower than Grade B or
- Online Mathematics Placement Test (OMPT-B) not lower than 65% or

- | | | | |
|---|----------------|---------|----|
| - Gaokao Math | not lower than | 70 | or |
| - HKDSE Math | not lower than | Level 4 | or |
| - General Scholastic Ability Test (GSAT or Xue Ce) | not lower than | 10 | or |
| - Russian Unified State Examination (EGE) Math Specialization Level | not lower than | 70 | |

If an applicant chooses to submit both parts of SAT I (Evidence-Based Reading & Writing and Math), ACT (American College Testing Assessment – English, Reading and Math), Gaokao (English and Math), HKDSE (English and Math), General Scholastic Ability Test (GSAT or Xue Ce) (English and Math), the scores must be from the same test (i.e. taken on the same day).

All scores pertaining to sections 1.1.1 and 1.1.2 must not be older than two years on the application deadline. Applicants who do not have Math and/or English scores pertaining to sections 1.1.1 and 1.1.2 by the admission deadline due to limitation from COVID-19 situation can submit a special request to take CU-TEP and/or CU-AAT test held at the Chulalongkorn University Academic Testing Center by filling out a form via the following website <http://www.scii.chula.ac.th> to express their intention to take the test at Chulalongkorn University Academic Testing Center. The Bachelor of Arts and Science in Integrated Innovation reserves the right to use only the test scores received from Chulalongkorn University Academic Testing Center when the request is made. The applicants submitting the request will not be allowed to choose other scores to apply for the program.

1.1.3 E-Portfolio

Applicants must submit E-Portfolio which consists of a collection of applicants' work as well as activities. The purpose of this E-Portfolio is for applicants to demonstrate their individual versatility, breadth of experiences, engagements, achievements, and organizational skills.

E-Portfolio may follow the items below:

- 1) Summary of profile
- 2) Educational background
- 3) Academic and/or research projects
- 4) Awards and competitions
- 5) Scientific or Arts and Design projects: a range of projects such as prototypes, scientific initiatives, drawings, paintings, collages, photography, sculptures, models, performances, or sketchbook pages

- 6) Business, marketing, branding, sales, or fundraising
- 7) Any forms of digital media, animations, films, videos, or audios created. Online platforms such YouTube, Instagram, and blogs are encouraged
- 8) Internships and/or past work experiences
- 9) Abroad experiences: exchange programs, internships, international workshops, and summer camps
- 10) Social and Community activities and projects
- 11) Extracurricular activities: events/special abilities, such as sports, music, theatre, or marathons
- 12) Continuing education (short courses or certificates)
- 13) Creativity and Innovation ideas

Portfolio must be uploaded in a **SINGLE PDF file** in an **A4** document size, following the guidelines and template provided in the School website, and should not be over **10** pages including a cover page and table of contents if any (maximum **10 MB** file size).

2. Admission Seats

The Bachelor of Arts and Science in Integrated Innovation will admit **20 qualified students** for this International Round in the Academic Year 2022.

3. Admission Schedule and Fees

3.1 Schedule of Online Application via website (<http://www.scii.chula.ac.th>)

- First Round: between 20 December 2021 - 4 February 2022
- Second Round: between 14 February 2022 – 3 May 2022

3.2 Schedule of Application Fee Payment

- Applicants of the first round must pay the application fee between 20 December 2021 - 4 February 2022.
- Applicants of the second round must pay the application fee between 14 February 2022 – 3 May 2022.

3.3 Application Fee

Application fee is 1,000 Thai Baht (One Thousand Thai Baht), excluding bank and transfer fees.

4. Application Documents

Applicants must complete all required sections in the online application system and must ensure the correctness of all the information given. All application forms must be accompanied by the following:

- 1) In case applicant has completed high school, a certified copy of diploma certificate from the high school and academic transcript(s) is required
- 2) A student photo (maximum 1 MB file size)
- 3) Test results (1.1.1 and 1.1.2)
- 4) A certified copy of transcript(s) or high school certificate equivalency

- 6) A certified copy of foreign passport
- 7) In case applicant is currently in the final year of high school, a copy of official document certifying academic status from the applicant's school is required
- 8) Name change official document (in case applicant has a different name in application documents)
- 9) Money transfer slip

When the application is submitted, it implies that the applicant has already verified the requirements. No refunds will be made after the application has been submitted.

5. Selection Process

5.1 Evaluation Criteria for First Round

5.1.1 Interview Shortlist Announcement

- The Bachelor of Arts and Science in Integrated Innovation will publish the interview shortlist announcement **no later than 14 February 2022** via website (<http://www.scii.chula.ac.th>), along with details of the interview.
- Each application will be evaluated on the admission criteria and test scores pertaining to sections 1.1.1, 1.1.2 and 1.1.3. Only shortlisted candidates will be contacted for interviews.
- The application will be rejected if the required scores are not submitted in our platform (<http://www.scii.chula.ac.th>) within the application deadline.
- The announced number of applicants shortlisted for interview may be greater than the intended number of students to be admitted to the program due to the expectation of some applicants who fail to show up for the interview or who fail to confirm the enrollment.

5.1.2 Online Aptitude Test and Interview

Interviews for the shortlisted applicants will be held latest on **20 February 2022** via an online platform. Applicants who fail to show up for the online aptitude test and interview on the specified date and time will forfeit their opportunity for admission.

5.1.3 Accepted Candidates Announcement

- The Bachelor of Arts and Science in Integrated Innovation will upload accepted candidates announcement on **24 February 2022** via website (<http://www.scii.chula.ac.th>), along with details of the enrollment confirmation.
- Eligible applicants will be evaluated on the test scores, E-Portfolio, online aptitude test and interview results. The following weighting will be assigned to the four criteria as follows:

● English Proficiency Test Score	20 %
● Mathematics Proficiency Test Score	30 %
● E-Portfolio	20 %
● Online Aptitude Test and Interview	30 %
Total	100 %
- The number of accepted candidates may be higher than the announced quota if the bottom-line candidates have identical scores according to requirements 1.1.1, 1.1.2 and 1.1.3.

5.1.4 Enrollment Confirmation and Confirmation Fee

- Accepted candidates must confirm the enrollment within **28 February 2022 – 3 March 2022** via an online platform in <http://www.scii.chula.ac.th>.
- Applicants who do not confirm the enrollment on the specified date and time will forfeit their opportunity for admission.
- Enrollment confirmation will be completed with a tuition fee deposit payment of 100,000 Thai Baht (One Hundred Thousand Thai Baht). The tuition fee deposit will be deducted afterwards from the first semester tuition fee.
- Accepted candidates who have already paid the confirmation fee in the first round will not be able to apply for the second round. **No refunds will be made after the enrollment confirmation has been submitted.**

5.2 Evaluation Criteria for Second Round

5.2.1 Interview Shortlist Announcement

- The Bachelor of Arts and Science in Integrated Innovation will announce interview shortlist announcement **no later than 9 May 2022** via website (<http://www.scii.chula.ac.th>), along with details of the interview.
- Each application will be evaluated on the admission criteria and test scores pertaining to sections 1.1.1, 1.1.2 and 1.1.3. Only shortlisted candidates will be contacted for interviews.
- The application will be rejected if the required scores are not submitted in our platform (<http://www.scii.chula.ac.th>) by the application deadline, without a special request to take CU-TEP and/or CU-AAT test held at the Chulalongkorn University Academic Testing Center.

5.2.2 Online Aptitude Test and Interview

Interviews for the shortlisted applicants will be held latest on **15 May 2022 via an online platform**. Applicants who fail to show up for the online aptitude test and interview on the specified date and time will forfeit their opportunity for admission.

5.2.3 Accepted Candidates Shortlist Announcement

The Bachelor of Arts and Science in Integrated Innovation will upload accepted candidates shortlist announcement **on 20 May 2022** via website (<http://www.scii.chula.ac.th>), along with details of the enrollment confirmation.

Eligible applicants will be evaluated on the test scores, E-Portfolio, online aptitude test and interview results. The following weighting will be assigned to the four criteria as follows:

● English Proficiency Test Score	20 %
● Mathematics Proficiency Test Score	30 %
● E-Portfolio	20 %
● Online Aptitude test and Interview	30 %
Total	100 %

The number of accepted candidates may be higher than the announced quota if the bottom-line candidates have identical scores according to requirements 1.1.1, 1.1.2 and 1.1.3.

5.2.4 Enrollment Confirmation and Confirmation Fee

- Accepted candidates must confirm the enrollment within **24 May 2022 – 27 May 2022** via an online platform in <http://www.scii.chula.ac.th>.
- Applicants who do not confirm the enrollment on the specified date and time will forfeit their opportunity for admission.
- Enrollment confirmation will be completed with a tuition fee deposit payment of 100,000 Thai Baht (One Hundred Thousand Thai Baht). The tuition fee deposit will be deducted afterwards from the first semester tuition fee. No refunds will be made after the enrollment confirmation has been submitted.

5.2.5 Announcement of Candidates on the Waiting List

- Applicants who are announced to be on the waiting list must confirm the acceptance of offer for enrollment at Bachelor of Arts and Science in Integrated Innovation and pay the confirmation fee **between 27 May 2022 - 29 May 2022**.
- Applicants who do not confirm the enrollment on the specified date and time will forfeit their opportunity for admission.

6. Admitted Candidate Announcement for First and Second International Admission Round

Chulalongkorn University will announce the final list of admitted candidates (non-Thai nationals) to enroll in Bachelor of Arts and Science in Integrated Innovation, Chulalongkorn School of Integrated Innovation, in Academic Year 2022 **on 6 June 2022** via website (<http://www.scii.chula.ac.th>).

The Committee's decision is considered final.

7. Enrollment Conditions

7.1 To be eligible to enroll for first registration as University students, enrollees must have successfully completed Matayom 6 in Thai system or its equivalent level. In case the University finds out that applicants have not graduated or have not fulfilled any requirement under the admission criteria, the eligibility of applicants to enroll shall be void and the University reserves the right not to refund the application fee, confirmation fee, and tuition fee in any case. For applicants who have graduated from international schools in Thailand or from schools outside of Thailand which are not certified by the Thai Ministry of Education, applicants will need to obtain an equivalency certification

Thai Ministry of Education, applicants will need to obtain an equivalency certification from Chulalongkorn University via website (<https://hscs.atc.chula.ac.th>), in certifying the equivalency with the Thai education system.

7.2 Individuals who have completed their education at an international school or a foreign school that was not certified by the Ministry of Education must have their qualification certified by the Council of University Presidents of Thailand as being equal to a qualification according to the Ministry of Education's Basic Education Core Curriculum.

7.3 In the presence of any falsification of documents, forgery, or fraud in registration, the student status will be terminated, and the University may consider taking legal action against the admitted applicant.

8. Tuition Fee

University fees and program tuition fees are charged in accordance with the Announcement of Chulalongkorn University.

Announced on November 26, 2021

Professor Bundhit Eua-arporn, Ph.D.

President
